

HELP BUILD THE NEXT GENERATION OF PROBLEM-SOLVERS.

Students do not just learn about problems. They go into their communities, engage real businesses, identify real challenges and develop solutions.

\$100,000+

IN SCHOLARSHIPS, CASH & PRIZES

Supporting students, teachers, schools and community impact.

WHAT STUDENTS DO

01

INTERVIEW

Engage businesses and community voices.

02

IDENTIFY

Find real problems worth solving.

03

CREATE

Develop practical ideas and solutions.

04

PRESENT

Communicate their thinking with confidence.

WHY CORPORATE PARTNERS MATTER

Corporate partners can help expand student opportunity while connecting their expertise to education, entrepreneurship, AI & technology, financial literacy, workforce development, career exposure and stronger communities.
