WHAT CORPORATE SUPPORT MAY ENABLE

Impact Area	Examples
Scholarships & Awards	Approved scholarships, cash awards and educational prizes.
Student Access	Participation resources, outreach and program infrastructure.
Skills	Entrepreneurship, financial capability, AI/STEM, communication and workforce readiness.
Career Exposure	Mentors, experts, panels, workplace learning and approved experiences.
Community Impact	Student problem-solving focused on real local businesses and community needs.
Program Delivery	Technology, staffing, communications, measurement and reporting.

Partnership scope and benefits are finalized after discovery and are subject to program feasibility, approved rules, privacy/safety requirements and organizational approval.

BUILD A PARTNERSHIP AROUND WHAT YOUR COMPANY KNOWS BEST.

Your partnership doesn't have to fit into a box.

The core Student Impact Challenge remains consistent, while the corporate activation can be designed around the sponsor's expertise and the opportunities we want to create for students.
