75 ESSENTIAL INDUSTRIES & CONSUMER BRAND PARTNER TARGETS

Utilities • Energy • Water • Environmental • Venues • Restaurants • Pets • Home Improvement • Logistics • Health Retail • Consumer Goods

Purpose: Expand the Student Impact Challenge partnership pipeline into industries that touch everyday community life. Each target is classified by the strongest opening strategy: **CASH**, **IN-KIND**, or **AWARENESS**. The classification is a prospecting recommendation, not a guarantee that the organization offers that form of support.

Priority A = research/contact first. **Priority B** = strong secondary prospect. Fellows must verify current programs, eligibility, decision-makers and application requirements before outreach. Inclusion does not imply affiliation or endorsement.

UTILITIES, ENERGY & CLEAN ENERGY

#	Pri.	Organization	Who to Find	Type	Recommended Angle
1	A	Con Edison	Community Affairs / Strategic Partnerships	CASH	STEM, energy education, Sustainable Communities Award

75	B	GSK Consumer Healthcare / Haleon	Community / Social Impact	CASH	Everyday health, education and community wellbeing

How the Fellow Should Use CASH / IN-KIND / AWARENESS

CASH: Research the organization's sponsorship, foundation, community-impact or charitable-giving pathway and open a funding conversation. Do not quote or negotiate an amount unless program leadership approves it.

IN-KIND: Lead with a concrete non-cash opportunity such as tickets, products, meals, transportation, event space, tours, supplies or winner experiences. Financial sponsorship can be explored later if appropriate.

AWARENESS: Lead with distribution, education, community engagement or amplification rather than money.

Potential New Award Themes

Sustainable Communities Award — energy, solar, water or environmental partner

Clean & Green Neighborhood Award — waste/recycling or home-improvement partner

Pet & Animal Community Impact Award — pet retail, pet food or veterinary partner

Local Business & Entrepreneurship Award — restaurant, delivery or consumer brand partner

Healthy Communities Award — pharmacy or health-retail partner
