

50 COMMUNITY PARTNER OUTREACH TARGETS

Student Impact Challenge (S.I.C.) — “Leave It Better Than You Found It”

Purpose

Use this list to identify and contact organizations that can help spread awareness of the statewide Student Impact Challenge to students ages 10–20, parents, educators, local businesses and community leaders. The primary ask is to become an **Official Community Partner** and help distribute the opportunity. A financial commitment is not required.

Fellow assignment: Research the appropriate contact person for each target, personalize the outreach, record every contact attempt, and follow up after 3–5 business days when appropriate.
